

CALL FOR APPLICATIONS: Hubert H. Humphrey Fellowship Program

Hubert H. Humphrey Fellowship Program 2024-2025

The U.S. Embassy is pleased to announce the 2024-2025 Hubert Humphrey Fellowship Program. This one year, full-scholarship program is offered to mid-career professionals working at the policy-level who have a record of leadership, a commitment to public service, and the initiative to take full advantage of an independent study at a leading American university. The Hubert H. Humphrey Fellowship Program brings accomplished professionals from developing countries to the United States at a midpoint in their careers for a one-year of non-degree study and related professional activities. The program seeks to foster an exchange of knowledge and mutual understanding between American citizens and professional counterparts from Algeria.

Because the Humphrey Fellowship does not offer a degree, Humphrey Fellows design and implement individualized programs to acquire career-related knowledge, interact with colleagues and gain professional experience, including arrangements for a six-week professional internship.

In addition, Fellows may also attend special enrichment activities throughout their program. These activities are excellent opportunities to network with Humphrey Fellows from other countries and to interact with prominent Americans across a range of professional fields.

The Humphrey Fellowship covers international travel, travel within the United States as required, tuition and fees, books, a monthly maintenance stipend, and limited funds for professional development activities such as attendance at conferences, field trips, and professional affiliations. Successful applicants will be placed at participating universities in the United States starting June - August 2024 period.
